According to the August 5, 2003 OG Notice published by the Patent and Trademark

Office, the Office has waived the requirement under 37 C.F.R. §1.98(a)(2)(i) for submitting a

copy of each cited U.S. patent and each cited U.S. patent application publication for all U.S.

national patent applications filed after June 30, 2003 and for all international application that

have entered the national stage under 35 U.S.C. §371 after June 30, 2003.

Accordingly, copies are submitted herewith for only references listed on the annexed

Form PTO-1449 that are not a U.S. patent or U.S. patent application publication.

The citation of the listed items is not a representation that they constitute a complete or

exhaustive listing of the relevant art or that these items are prior art. The items listed are

submitted in good faith, but are not intended to substitute for the Examiner's search. It is hoped,

however, that in addition to apprising the Examiner of the particular items, they will assist in

identifying fields of search and in making as full and complete a search as possible.

The filing of this Information Disclosure Statement is not an admission that the

information cited herein is, or is considered to be, material to patentability as defined in 37

C.F.R. §1.56(b).

The Office is hereby authorized to charge any fees which may be required for

consideration of this Information Disclosure Statement and to credit any overpayment to our

Deposit Account No. 03-3125.

Respectfully submitted,
